Pray for Muslim Background Believers (MBB) who will be seriously affected by this Law, if passed.

Join Open Doors in this prayer: Father, we pray that You will overwhelm these Malaysian Christians with Your grace as they move into this time of unknown. Give them Your peace and the assurance of Your Spirit at work in their lives. We pray for lawmakers and those in various areas of governance that God would overrule with godly fear and wisdom, and that the hudud law would not be put into effect. In the name of Jesus, who rules over earthly kings and princes, Amen.
