

Give Online

Immanuel receives an offering during each Sunday morning service. Members and regular attenders are encouraged to give. Visitors are not expected to give, and in fact, are encouraged not to give.

A Sunday-morning-pass-the-bag offering works well for many families, but what also works well, in an increasingly cashless society, is the use of scheduled online giving. So, Immanuel has selected EasyTithe to do the processing of online offerings (the deacons will continue to process all other offerings) EasyTithe is an established company with reasonable transaction fees.
