

Meeting Physical Needs

Immanuel Bible Church loves Bellingham.

We understand that some may have needs we can meet right now. Though our normal social interactions are restricted, we still need to eat, stay supplied, and receive love. If you have a need that we might be able to meet, please contact us at 360-733-0672 or emailtheelders@ibcbellingham.org. Our hearts are heavy for those in need and we hope to help.
