Bible Studies

Experience with us a 5-day weekly, chronological Bible reading plan! Through a thoughtful, diligent reading of the Word, we gain understanding of the Bible in all its parts as a cohesive whole –God's redemption story. We acquire eternal perspective on life, and understanding how we fit into the redemptive story. By studying his Word broadly, we are capturing God's character that encourage us to love and worship him more deeply, and serve him more fervently.

September Sisters

September Sisters is a group of mature women, loving, encouraging and supporting each other while focusing on serving the Lord. The September Sisters are in a season when a fruitful life is re-defining itself with new energy, with new discretionary freedom to invest in meaningful relationships, and activities that serves our community and church family.

Some of the activities have included: after church lunches, walks, service projects, picnics, potlucks, visiting the sick and home-bound sisters. [Hebrews 10:23-25](#) expresses their goal to provide opportunities for women to build their faith, show God's love and to develop strong relationships with other Christian women. Their desire is to love, encourage and motivate each other through times of fellowship, enjoyment, prayer, work and service.

Women's Retreat

Once a year, we have the opportunity to break away from our routine to refresh our spirit at Cedars Springs Retreat Center, one of the most beautiful settings in the West Coast. Immanuel Bible Church has a history of 53 years of women's retreats.
