- There should be no identifying objects on the baked good. This will be a "blind" judging, meaning the judges should not know who made which item.

- Our judges will be arriving at 6pm to have quiet and privacy for 30 minutes of judging.
- Judges will use a provided scoresheet and will be rating on overall appearance/presentation, overall taste/texture, originality/creativity/design, appropriate texture/consistency.
- Bakers and attenders will not be allowed to enter the social hall until 6:30pm and at that time will have the opportunity to participate in a non-tasting portion of judging that will determine the winner of the "Show-Stopper" award in each age group. Bakers and attenders wanting to participate in this judging will be provided a score sheet.
